What is a Honda CRF? Honda CRF150 F,R Dirt Bike: Honda's CRF150R is, hands down, the best MX machine in the Mini Class. Designed around a four-stroke powerplant that showcases plenty of Honda technology, we've given it some major-league upgrades for 2012, and graced it with the performance that will keep you up at the front of the pack and on the podium.

Used Crf 150F For Sale - Honda Motorcycles - Cycle Trader

If you ride the 150 like I guess most of you do you need to check your valves. About 15 hours on stock bikes but way more often on modded motors that run hotter and at higher revs. You may not have any to change the clearance for a long time but when you do come up with that tight valve all of a sudden it is an indication that something may be going wrong.
