An emblem logo consists of font inside a symbol or an icon; think badges, seals and crests. These logos tend to have a traditional appearance about them that can make a striking impact, thus they are often the go-to choice for many schools, organizations or government agencies. The auto industry is also very fond of emblem logos.

Modern publishing is a tricky game — especially when trying to figure out the biggest names within that game. Most major publishers are part of a larger media conglomerate, prominent indie presses excepted, and a search for the year's largest book publishers will often yield companies that work with other forms of content rather than books. So to help you zero in on the prize, we've ...
