She took the garbage to her own home and went through it to look for any evidence or clues that may be useful in locating Caylee.

Casey's incredible journey sent her see-sawing between glamorous parties at the homes of Hollywood's elite, and nights spent sleeping in a carport in the rain. Somehow Casey managed to find the humor in it all, and to turn the little bit of love she received into a very successful life, becoming a network executive and ultimately a successful television writer.
