Doc: The Rape of the Town of Lovell by Jack Olsen ...

For twenty-five years, the trusted family doctor in a small Wyoming town had been raping and molesting the women and children who most relied on him. Mostly Mormons, the naive victims sometimes realized on their wedding nights the truth about what had happened in Dr. Story's office. In riveting detail, veteran crime writer Jack Olsen tells the searing story of a small group of courageous women ...

Books similar to Doc: The Rape of the Town of Lovell

What made it worse for the town was that it came on the heels of another sex scandal involving a doctor with an otherwise good reputation in the close knit community. Rape has always been a difficult crime to prove and prosecute because it comes down to only the word of the victim against the rapist.
