from the very first page that this is not a typical theory textbook, as each chapter is peppered with the author's personal anecdotes and experiences."

## **Engaging Anthropological Theory: Moberg, Mark ...**

Covering key concepts and theorists, Engaging Anthropological Theory examines the historical context of anthropological ideas and the contested nature of anthropology itself. Anthropological ideas regarding human diversity have always been rooted in the sociopolitical conditions in which they arose and exploring them in context helps students understand how and why they evolved, and how theory relates to life and society.

## **Engaging Anthropological Theory: A Social and Political ...**

"While other textbooks on anthropological theory give token accounts of the socio-political influences and historical contexts that produced 'ruling ideas' on the nature of society and the origins of cultural diversity, these processes are the central focus of Moberg's unique analysis.

## **Engaging Anthropological Theory: A Social and Political ...**

In Engaging Anthropological Theory, Moberg attempts to make anthro theory interesting, relateable, and easier to understand. Although his snarky style sometimes distracts from the information he is presenting, this book still does a good job of conveying important information.
