The witch craze in Europe was significantly different than the witch-hunts in America, resulting in the most famous of witch trials. Even though Europe executed thousands of men and women during this time, Europe viewed the trials in America as one of the biggest execution trials ever held and frowned upon it. Why was the European Witch Craze largely different than the American Witch Craze, when the only difference was they were held across separate parts of the world?

After events in Salem, the witch craze began to die down. In 1661, the Witchcraft Act introduced in England in 1547 was repealed. However, even today many people still believe in witchcraft, the occult and dark magic. In 1962, a young girl was buried alive in Papua New Guinea after being accused of being a witch.

### **THE WITCH CRAZE**

The witch hunts that took place in Britain, Europe, and North America between the sixteenth and eighteenth centuries fascinate historians and the public alike. Belief in witches as real people who could harm others, and the impetus to punish them, seem to be phenomena that decisively separate 'us' now from 'them' in the past.

### **BBC Radio 4 - You're Dead To Me, The Witch Craze**

The European witch craze in the 14th to 17th century was transformed into a devilish object. 'These changes in the conceptualisation of witchcraft are of crucial importance. Because witchcraft was regarded as a routine, day-to-day (almost personal) technology until 14th century, witches were classified as good or bad, depending on the objective of their magic.'
