In Defense Of Troublemakers The

In Defense of Troublemakers is a compelling book written by esteemed psychologist Charlan Jeanne Nemet. It challenges the consensus that "consensus thinking" is the best way to approach matters of import because with consensus comes constraints.

In Defense of Troublemakers: The Power of Dissent in Life ...

In In Defense of Troublemakers, psychologist Charlan Nemeth argues that this principle is completely wrong: left unchallenged, the majority opinion is often biased, unoriginal, or false. It leads planes and markets to crash, causes juries to convict innocent people, and can quite literally make people think blue is green.
