Amazon.com: International History of the Twentieth Century ...

In this volume, a distinguished group of scholars examine the national experiences of six major twentieth-century powers—the United States, Japan, Turkey, China, India, and Germany—to discern the century's legacies for today and the lessons for tomorrow. They explore core themes including anticolonialism, democracy, socialism, nationalism, industrialization, nuclear weapons,

**International History of the
Twentieth Century and Beyond ...**

20th-century international relations, history of the relations between states from about 1900 to 2000. The first half of the century was dominated by the rivalries of the great powers. The second half saw the replacement of the European state system by a world system with many centers of both power and discord.
