## **Material Safety Data Sheet Belzona**

Belzona's Safety Data Sheets (SDS)

(previously referred to as Material Safety Data Sheets (MSDS) or Product Safety Data Sheets (PSDS) are key documents that support the products

# Online Library Material Safety Data Sheet

we manufacture. Each document includes detailed information on the hazards of the product, as well as incorporating data on physical and chemical properties. Together with information relating to storage, disposal and overall safe handling, the SDS enables the development of an appropriate risk assessment.

## Material Safety

### Data Sheet

Belzona 1111 (Super Metal) A 2-part repair composite for metal repair and resurfacing based on solvent-free epoxy resin reinforced with silicon steel alloy. This repair material will not corrode and resists a wide range of chemicals. It is easy to mix and apply without the need of specialist tools and can be machined using conventional tools.
