Here is an updated version of the \$domain website which many of our East European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon.

Owners Manual Homelite Super 2

As if a 1971 Citroën DS isn't cool enough on its own, here's something that makes it even better. Electrogenic, a British electric-vehicle conversion company, has turned one into an EV for its owner.

Silent and lovely: This 1971 Citroën DS is now powered by electricity
