Handball combines the elements of soccer and basketball, as six players move the ball down a floor that is longer than a basketball court and tries to score by throwing the ball past a goalkeeper into the net. A successful scoring attempt results in the award of a single point. Typical final scores in team handball run in the mid twenties.

Handball (also known as team handball, European handball or Olympic handball) is a team sport in which two teams of seven players each (six outcourt players and a goalkeeper) pass a ball using their hands with the aim of throwing it into the goal of the other team. A standard match consists of two periods of 30 minutes, and the team that scores more goals wins.
