The Beak Of Finch A

Tiny fish evolve rapidly and predictably by diving into a 'genetic toolbox' shared with other organisms including Darwin's finches.

From fish to finch — learning how to adapt to climate change

This week's Bird of the Week, compliments of the Weminuche Audubon Society and Audubon Rockies, is the pine grosbeak. Take a look at the range map for a pine grosbeak [...]...

Bird of the Week

As the summer wears on, young cardinals gradually molt out of their drab fledgling feathers and their beaks slowly turn bright orange.

The Bird Folks: Rose-breasted Grosbeaks and other hard-to-identify birds

Somewhere in the last decade, in the suburbs of Sydney, Australia, a parrot learned to pull the lid off of a trash can. First it stood on the edge of the lid and, bending head over heels, pried open a ...

Australian cockatoos are teaching each other to open trash cans

It's what birds do. They have a knack for it. In the Book of Genesis, after the devastation of the Earth by God's cataclysmic flood, Noah releases from his ark a dove; he knows that the trial has ...

Then the Birds Began to Die

One of the best things to come out of the year-long lockdown is Safe Start Permits, an SDOT program that allows restaurants to occupy sidewalk-and-curb space. The program is imperfect, of course (the ...

Little Brownish Birds Are Just Loving Seattle's New Outdoor Dining Program

In Psalm 84, an expectant swallow makes her nest in the temple.

August 22, Ordinary 21B (Psalm 84)

The cunning behaviour was spotted by chance when ecologist Jeffrey Brawn was carrying out a bird count in Illinois.

Crafty birds steal HAIR from unsuspecting predators: Scientists film tufted titmice plucking fur from cats, dogs and even HUMANS to pad out their nests

When you set out for a little birding on a summer morning, downtown Winston-Salem doesn't spring to mind as the best destination.

Downtown Winston-Salem is a good place to go birdwatching ... really

Wildlife in Pennsylvania is under regular assault by infections and diseases of all sorts delivered through everything from tick bites to close contact with others of their kind or their prey to their ...
